Annexure A – Draft Engagement Letter for Statutory Audit of a Company

Date:

To,

The Board of Directors / Those Charged With Governance

<NAME OF THE ENTITY>

<Address>

Re:(Mention relevant Engagement) of your Entity for the financial year 20xx-20xx

Dear Sir(s),

We refer to your letter dated _____ informing us about our appointment/re-appointment as the auditors of the Company. You have requested that we audit the financial statements of the Company as defined in Section 2(40) of the Companies Act, 2013 ('2013 Act'), for the financial year(s) beginning April 1, 20XX and ending March 31, 20YY. The financial statements of the Company include, where applicable, consolidated financial statements of the Company and of all its subsidiaries, associate companies and joint ventures. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

Our audit will be conducted with the objective of our expressing an opinion if the aforesaid financial statements give the information required by the 2013 Act in the manner so required, and give a true and fair view in conformity with the applicable accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 20YY, and its profit/loss and its cash flows for the year ended on that date. . In forming our opinion on the financial statements, we will rely on the work of branch auditors appointed by the Company and my / our report would expressly state the fact of such reliance.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, in case we are required to express our opinion on whether the company has adequate internal financial controls system in place and whether such controls are operating effectively, we shall communicate our terms of engagement related to that assignment through a separate engagement letter.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- The auditor's responsibility includes:
 - to read the other information;
 - consider whether the other information is materially inconsistent with the financial statements or the knowledge obtained in the audit or otherwise appears to be materially misstated; and
 - if, based on the work performed, the auditor concludes that there is a material misstatement of this other information, the auditor is required to report that fact.
